First Printing, June 2019

The paintings in this storybook
are done in acrylic. The drawing on the dedication page was
the first appearance of the geojacks in my work.

A version of this story was written in 2009 for the geocache
GC27HPD “The Geojack Pack Has a Picnic.”

The story text is
JackInput by Altsys Fontographer

The Display type is
Ink Free by Steve Matteson, Monotype Imaging Inc.

The small text is set in
CenturyOldst BT by Bitstream

If we can't find it... it ain't there.

for Rosie,
2003 - 2019

**Three friends pack a
Very Special Lunch
and set off.**

Willow wanders in the woods,
looking for the
Perfect Place for a Picnic.

**Rosie darts up hill and down,
round and about, shouting.**

**Bucky finds a Good Spot
for a Nice Little Dig,
and lags behind.**

Rosie nips him on the
butt to "Keep up!"

The Perfect Place!
It has good digging, good
darting, and cool water.

**They share their picnic
in the dappled shade.**

They nap together in the sun before wandering on.

They go Over . . .

and Under . . .

**and Through,
as the bright sky darkens
and shadows grow.**

Can they find
their way back?

**Bucky has a really
Very Good Smeller and
finds where he dug.**

**Rosie remembers exactly
where she's run and leads
them on a Shortcut.**

**Willow is loyal.
Willow may wander but
always Knows the way Home.**

And THERE it is!

The Originals

Millions of geocaches are listed on geocaching.com and hundreds of thousands of people go out looking for them. We go along with emzernask on the hunt, hence we are...

the Geojacks!
